Departmental Graduate Association (DGA): means a graduate student organization composed of Active Members in a Department at UCalgary and officially recognized by the GSA.

Graduate Student Group (GSG): means a graduate student organization composed of Active Members linked by a common academic or other interest and officially recognized by the GSA. This group could also be still using the name Graduate Research Network (GRN).

For this agreement both **DGA** and **GSG** groups will be covered under the blanket agreement for the **GSA**.

Accommodations and Events (UCAE) has over 149 classrooms and more than 200 hectares of beautiful campus green spaces. Many Graduate Students' Association (GSA) Groups request to book our spaces for their use for a variety of events throughout the year. As part of the campus community, UCAE is happy to extend the usage of these spaces for a set number of events per year, to GSA Student Groups for the purpose of their group meetings and social gatherings. This agreement outlines the roles, responsibilities and expectations of the GSA Student Groups for using the space. This agreement also outlines the responsibilities and commitment made by Accommodations and Events (UCAE) to book these spaces for GSA Student Groups.

This agreement is valid from September 1, 2021 to August 31, 2022. Only those designated as GSA Student Groups may book space through Accommodations and Events. The designated booker acts on behalf of all GSA Group members and it is their responsibility to ensure all group members are aware of the rules and adheres to them whether in attendance at the meeting or event or not. The entire GSA Student Groups and its membership are bound to this agreement.

This agreement is only valid for Classroom space, table bookings, and green space bookings and does not replace the contracts for events held in the Dining Centre, Hotel Alma, The Olympic Volunteer Centre, EEEL, or Yamnuska Hall, or any other spaces managed by UCAE.

***** It is up to the GSA Student Groups to familiarize themselves with University Policies for Conference and Event Management. You will find these at: www.ucalgary.ca/safety/programs/special-events**
