• Accountability - Using transparency to create understanding.
• Adaptability - Continuous learning, improvements and assessments.
• Legacy - Creating lasting memories.
Background

The Graduate Students’ Association (GSA) was established in 1967 and currently represents approximately 6000 University of Calgary graduate students. Five student representatives are elected each year to sit on the GSA's Board of Directors. These elected officials, and a group of permanent staff members, advocate for graduate students to the University and the three levels of government, provide professional development opportunities, host diverse social events, and provide various funding opportunities. These are just a few of the ways that the GSA supports graduate students.

The GSA membership consists of all University of Calgary full and part-time graduate students. The membership elects the GSA Executive Board of Directors for a one-year term beginning May 1. The Executive Board of Directors governs the Association and provides strategic direction.

GSA Board of Directors

The GSA Board of Directors’ (BoD) main objective is to support graduate students and advocate on their behalf. The GSA provides workshops, special events, financial aid and support, as well as facilitates career-based growth and development for graduate students as they progress through their university programs. The GSA also administers its own non-profit, self-funded, health and dental plan.

The BoD is comprised of 5 members:

- President
- VP Academic
- VP External
- VP Student Life
- VP Finance & Services

The BoD of the GSA creates committees in order to:

- Research specific issues
- Seek advice or input on specific issues
- Oversee and secure the proper functioning of projects, initiatives or programs
Committees of a permanent nature are called standing committees. Each BoD portfolio has its own standing committee(s):

- President: Governance Committee, Senior Leadership Team
- VP Academic: Academic Standing Committee, Awards Committee
- VP External: External Relations Committee
- VP Student Life: Student Experience Standing Committee, Community Engagement Committee, Events Committee, Mental Health & Wellness Committee, Newcomer and International Student Committee, Graduate Residence Committee, [GSA]2 Committee
- VP Finance & Services: Finance Standing Committee, Sustainability Committee

Committees created for a one-time function are called ad hoc committees. All committees are responsible to the BoD.

For a summary of the GSA organizational structure - see Appendix 1

**GSA Governance**

The Graduate Students’ Association Bylaws are the governing documents of the GSA. These documents set out the structure of the GSA and govern the conduct of all GSA bodies. There is important information listed within our bylaws, including how to initiate a referendum, what the Judicial Board is for and how we run our elections. See Appendix 4 for some important bylaws regarding GRC. Please take some time to review your GSA Bylaws before the next Graduate Representative Council meeting. Bylaws can be found at: gsa.ucalgary.ca/about-the-gsa/bylaws
GRC Representatives

Each Departmental Graduate Association (DGA) or department authorized by the University of Calgary to operate a graduate program, may be represented by one or more Graduate Representative(s) at GRC meetings. DGAs or authorized departments with:

Consortiums may appoint up to two (2) non-voting representatives.

If a Consortium Representative is a voting Graduate Representative of a DGA, they retains their DGA voting privileges (see DGA handbook - gsa.ucalgary.ca/dgagms/dga-handbook).
Responsibilities of GRC Representatives

The Graduate Representative Council (GRC) is a body comprising representatives chosen by graduate students in each university department/faculty. The GRC is an advisory body of the GSA, and is subject to GSA bylaws.

As a GRC representative you are responsible for the following:

- Attend six out of the seven meetings per year. If you are unable to attend you must appoint a proxy and inform the GSA prior to the meeting – kmlidgre@ucalgary.ca.
- Disseminate information to graduate students in your department. This is your most important function as a GRC rep.
- Consult with graduate students on decision items.
- Vote in the elections of the roles of speaker, chief returning officer, clerk, and Financial Standing Committee Chair.
- Vote on important issues

GRC Meeting Operation

All GRC reps will receive an agenda for each meeting and the minutes from the previous meeting, minimally 5 days prior to GRC. If your DGA's GRC representative is not receiving these emails, please contact kmlidgre@ucalgary.ca.

The meeting will begin with the acceptance of the agenda and the minutes from the previous meeting. A permanent item on the agenda is “Executive Reports” which provides the BoD with the opportunity to present the activities and projects of the previous month, as well as upcoming activities and projects, to GRC and provides GRC representatives an opportunity to ask any questions they might have related to these activities.

Any formal motions, committee reports, DGA happenings or other items of information are welcomed and encouraged. Any GRC rep can vote on or present a motion. If you wish to present at a GRC meeting, please ensure that all written information is submitted to the GSA office (kmlidgre@ucalgary.ca) by mid-month so that it can be included in that month’s agenda.

During the meeting, the Speaker’s interpretation of Robert’s Rules of Order is followed. See Appendix 3 for a list of commonly used Robert’s Rules.

GRC Meeting Schedule

GRC meetings are usually held on the last Tuesday of most months of the academic year (see gsa.ucalgary.ca/about-the-gsa/grc for dates) at 5:30 pm (check the website, newsletter, or email kmlidgre@ucalgary.ca for the location) unless otherwise announced in the GSA News and Views Newsletter and on the GSA website. They run on average about 1.5-2.5 hours and
cover issues affecting graduate students. After the meeting, members are encouraged to join the executive at the Last Defence Lounge (LDL) where free refreshments will be provided to those who attended the meeting.

GRC members are encouraged to check the GSA’s News and Views Newsletter, the GSA website and their email for meeting reminders, agendas and schedules prior to the meeting itself. If the meeting location changes, it will be announced via e-mail and on our website as early as possible. If you are part of a DGA, you are required to send a representative to GRC in order to maintain DGA funding. Additionally, any GSA member is welcome to attend GRC meetings, although they may not be permitted to vote. For more information and the schedule of this year’s meetings: gsa.ucalgary.ca/about-the-gsa/grc

Departmental Graduate Associations

A significant portion of the GSA’s services aims to foster an engaged student environment where GSA members are aware, accountable and active in their education and community. The Departmental Graduate Association program of the GSA is an integral way that students are showing their engagement. The DGA program, established in 2008, gives graduate students in every department, regardless of size, the chance to plan and manage their own students’ association for graduate students. The GSA supports this program with enhanced and ongoing financial support for all DGAs. If you have a DGA in your department, we encourage you to join it. If you’re already a member of your department’s DGA and wish to join another similar DGA to form a consortium, there is funding for that as well. Please read the DGA handbook for more information - gsa.ucalgary.ca/dgasgrns/handbook
The GSA’s Annual General Meeting (AGM)

The GSA’s AGM is held each September and addresses a number of major components such as structural changes and financial review. All graduate students are invited to attend and vote on any motions that arise. Additional Special General Meetings may be called as per the GSA bylaws and all graduate students are encouraged to attend these as well.

One of the most important functions of your position as a GRC rep is to present the services of the GSA to your department. Services are described here, on the GSA website, and will be discussed at GRC meetings.

Academic Project Support Grant
Funds are available to students to support academic activities and professional development (such as the cost of presenting thesis research at conferences and some professional development workshops). There are individual and group project awards available. Applications are accepted in the Fall and Winter terms and are available online at gsa.ucalgary.ca/grants and at the GSA office.

GSA Bursary
The GSA bursary makes funds available to graduate students who demonstrate financial need. Grants are awarded twice per year, once during the fall semester and once during the winter semester. You can apply for an individual bursary or a family bursary. For more information, visit gsa.ucalgary.ca/financial-support/bursaries.

Visit gsa.ucalgary.ca/financial-support/awards for details.

GSA Emerging Leader Award
This scholarship was established by the Graduate Students’ Association of the University of Calgary (GSA) in recognition of newly-admitted students who have demonstrated outstanding academic and leadership potential, and involvement in the Calgary community within the first year of their studies. Visit gsa.ucalgary.ca/financial-support/awards for details.

The Alberta Graduate Citizenship Award
This recognizes graduate students who have demonstrated outstanding dedication to their fellow students and/or Alberta communities through public service and volunteer activities. Individual awards are granted in the amount of $2,000 and 20 such awards are available to University of Calgary graduate students. Graduate students can apply for this award once each fall. Visit gsa.ucalgary.ca/financial-support/awards for details.

Excellence Awards
Each year students are able to nominate exemplary teachers, supervisors, administrators, and mentors that have supported them in their academic career at the University. For more information, visit gsa.ucalgary.ca/financial-support/awards.
**Quality Money**
Quality Money grants are one way that the GSA gives back to the student community. Emphasis is placed upon proposals that impact the majority of students, promote multidisciplinary interactions, and integrate sustainable initiatives. Each year, the GSA puts out a call for Quality Money proposals in order to solicit proposals from interested parties across the university. Quality Money applications are processed on a competitive first-come-first-served basis. For information on how and when to apply for Quality Money, visit [gsa.ucalgary.ca/financial-support/quality-money-program](http://gsa.ucalgary.ca/financial-support/quality-money-program).

**Employer Liaison**
The GSA's Employer Liaison has the skills to help graduate students find employment just about anywhere, whether it’s entering the business or industrial arenas (as 80 percent of graduate students do) or continuing with academia. If you would like to find a mentor in academia or out in the business realm, the GSA's Employer Liaison will help you to make professional contacts by pairing you with a mentor in your field of interest. Visit [gsa.ucalgary.ca/services/employer-liaison](http://gsa.ucalgary.ca/services/employer-liaison) for more information.

**GSA Weekly Newsletter**
The GSA News and Views is a weekly e-newsletter to which graduate students are automatically subscribed. The News and Views offers specific and timely information about upcoming events, issues, important deadlines for things like funding applications, grants, scholarship and conference submissions, job postings, and happenings that are important to you, the graduate student. Submissions from the graduate student population are greatly encouraged. The weekly deadline for submission is Friday at 4:00 pm. To sign up or to submit, contact andrew.smith1@ucalgary.ca.

**GSA Health & Dental Plans**
The GSA is proud to offer its very own student owned, student governed and not-for-profit extended health and dental care benefit plans. Coverage under these plans includes annual dental check-ups, 80% coverage for prescription drugs, additional coverage for health practitioner treatments as well as a host of other benefits. Full-time students are automatically enrolled; part-time students may purchase coverage too (as long as it is purchased before your registration/annual fees deadline). All forms and coverage information are available online at [studentcare.ca/CalgaryGSA](http://studentcare.ca/CalgaryGSA) or contact the GSA office at 403.220.5997 or askgsa@ucalgary.ca.
